

CROSSDOCKING IN HAMBURG

SEAMLESS TRANSPORT SOLUTION

- Direct **container-to-conventional truck transfer**
- **Fast, reliable and seamless handling** on the terminal yard
- **Shorter lead times** through direct cargo flow
- **Service covering Germany** and key cross-border regions
- Handling of both **palletised and non-palletised cargo**
- **Sideloading and unloading possible**, no ramp required at facilities
- **Cost-efficient alternative** compared to round-trip transport
- **CO₂ savings** through optimised transport flows
